Give the Gift of Camping

This year, more than 2,000 children attended one or more of the summer camp programs offered at Kirchenwald and/or Nawakwa. The cost of one week of camp for one camper is \$395.

In each of the last four years, the Lutheran Camping Corporation has given about \$30,000 in financial assistance to families in providing their children with a summer camp experience. Each summer, the demand on this outreach continues to increase. Each time we commit to meeting the need, that pledge is upheld because of the Campership Fund.

Be part of this summer's success, and make your contribution to the Campership Fund today!
