

Greetings!

Thank you for registering for the 2024 Craft Weekend at Nawakwa on November 8-10. We will offer a variety of craft projects including basket making, zentangle design, a project with gourds, Iris Paper Folding, and 2 painting projects (pictured on the next page). Most of the supplies for the projects will be provided but some advice on supplies you might want to bring is also on the next page.

You are welcome to pick and choose from our projects or bring your own projects to complete. Workspace (particularly table space) is limited for individual projects, but we will try to accommodate your needs if possible.

I am excited to share that Sister Davia Evans will lead devotions and worship for us this year!

If you have a specific rooming request, please let me know via email or phone (found below).

Here are some details to help you prepare for the weekend:

- Brushes and paints will be provided for the planned projects but feel free to bring your own brushes or specific paint colors that you prefer.

Gail Cox will teach a “mini canvas painting” on an easel. The painting will be embellished with mini beads and shell and sealed with a non-toxic product that creates an epoxy- like finish on the surface. All supplies will be provided for this project.
