In 2019, we welcomed over 100 campers to Kirchenwald and Nawakwa through the generosity of those who contributed to our Campership Fund. Those camperships, valued at over \$30,000, were a blessing to the children receiving them, as they would not have attended camp without this assistance. We are proud of this ministry to children, and especially proud that no child has ever missed the wonderful experiences of our outdoor ministry because of financial constraints.

No child has ever been turned away from camp because of the inability to pay the registration. When you participate in this event, either as a golfer, sponsor, or donor, you help to make that dream a reality.
