

LCC Pre-Camp Health Screening 2021 COVID-19

Camper name: _____

Kirchenwald / Nawakwa
(Circle One)

Program name: _____

Dates of Program: _____

In an effort to promote a healthy camp community, all campers must take a daily record of their health, beginning 14 days prior to arrival at camp. Complete this form and return it to camp at check-in at the start of your week. While a health record for *other members* of the camper household is not required, it is **strongly advised** that the health of all household members be monitored during this time.

Use the chart below to record daily temperature readings and presence of symptoms. Symptoms of COVID-19, which should be indicated, include:

- | | |
|---|---|
| <ul style="list-style-type: none"> • Cough • Shortness of breath/difficulty breathing • Fever • Chills • Muscle pain | <ul style="list-style-type: none"> • Sore throat • New loss of taste or smell • Nausea • Vomiting • Diarrhea |
|---|---|
